FACTOBER

Take up one idea. Make that one idea your life; dream of it; think of it; live on that idea. Let the brain, the body, muscles, nerves, every part of your body be full of that idea, and just leave every other idea alone. This is the way to success, and this is the way great spiritual giants are produced.

FACTOBER

*You have to grow from the inside out. None
can teach you, none can make you spiritual.
There is no other teacher but your own soul.*

An aerial photograph of the Shri Jagdish Temple, a Hindu temple complex situated on a small, rocky island in the middle of the sea. The temple features a prominent central dome and is surrounded by a low wall. A paved path leads up to the temple. In the foreground, there are large, brown, rocky formations in the water. The sky is overcast, and the water is a deep blue. A quote is overlaid on the image in a white, cursive font.

*In a conflict between the heart
and the brain, follow your
heart.*

FACTOBER

*In a day, when you don't come across
any problems - you can be sure that
you are traveling in a wrong path.*

FACTOBER

The great secret of true success, of true happiness, is this: the man or woman who asks for no return, the perfectly unselfish person, is the most successful.

FACTOBER

A person is seen from behind, sitting on a dark, rocky mountain peak. They are looking out over a vast, hazy landscape of rolling mountains under a soft, light sky. The overall mood is contemplative and inspiring.

All power is within you; you can do anything and everything. Believe in that, do not believe that you are weak; do not believe that you are half-crazy lunatics, as most of us do nowadays. You can do anything and everything, without even the guidance of any one. Stand up and express the divinity within you.

A man is shown from the waist up, crouching in a dynamic pose. Behind him is a large, powerful splash of water, with multiple jets of water spraying upwards and outwards. The scene is set against a dark background, with a spotlight illuminating the man and the base of the splash. A semi-transparent grey rectangular box is centered over the image, containing a quote in a white, cursive script font.

*We are what our thoughts have made us; so
take care about what you think. Words are
secondary. Thoughts live; they travel far.*

A hand is shown from the bottom, reaching upwards. Above the hand, a large, irregularly shaped rock is falling from the top of the frame. The background is a solid, vibrant blue. Numerous small, dark particles, resembling dust or sand, are scattered throughout the scene, particularly concentrated around the falling rock and the hand, suggesting a dramatic or divine event.

*Be not Afraid of anything. You will do Marvelous
work. it is Fearlessness that brings Heaven even
in a moment.*

FACTOBER

*You cannot believe in God
until you believe in yourself.*

FACTOBER

*Strength is Life, Weakness is Death.
Expansion is Life, Contraction is Death.
Love is Life, Hatred is Death.*

FACTOBER

NEITHER
SEEK NOR AVOID,
TAKE WHAT COMES.
